

# **A TRIBUTE TO MY BELOVED FATHER, SENATOR M.A.E ONUNKUN (OON)**

My father, Senator Michael Atijosan Emmanuel Onunkun, was the only true helper I have ever known. He never failed me, despite the imperfections of humanity, he consistently proved to be a reliable father, a steadfast guide, and a profound teacher of life's philosophy. It is a profound tragedy that life is so fleeting and transient, and now my father, my unwavering support, is no more. He was a beacon of hope, always coming to my rescue when all seemed lost, embodying qualities that go beyond mere words – integrity, wisdom, and selflessness. He was a man who dared to love deeply and cared with a passion that defined him. Though he is gone, his spirit lives on in me. I will worship his memory and emulate his ways for as long as I live, honoring the legacy of a truly remarkable man.

**ADIEU PAPA**

**May the Almighty God grant you eternal rest.**

Signed
