**MESSAGE OF CONDOLENCE TO THE FAMILIES OF LATE
SENATOR MICHAEL ATIJOSAN EMMANUEL ONUKUN (OON)**

I write on behalf of my family to convey deep Commiseration on the transition of your respected father, foremost Elder and Venerable agent of peace Senator M.A.E Onukun (OON). In him, we have lost a patriarch and a profoundly good leader.

He was a highly respected and inspirational personality who stayed on high moral grounds. He was an iconic pillar of integrity, a brave man with formidable valour and courage. This was the reason why his political friends gave him an alias name (Baba Wo Gbo o).

Papa, a Senator in the second Republic was a genuinely detribalized patriot and a loving father. Through painful, his demise would be, he bequeathed to our great nation illustrious children, grandchildren and great-groundchildren who would continue to personify and advance his distinctive values of integrity, humility, selfless service, and firm commitment to the path of excellence.

In sharing the pains of papa's glorious passage, it is my fervent prayer that Almighty God protects the entire family as you collectively strive to protect our dear papa's legacies.

May his soul rest in peace and I say a goodnight to papa.
