## **Tribute to late Senator MAE ONUNKUN**

On behalf of the Governing Council, Senate, Congregation, Staff, and Students, the Vice-Chancellor of Olusegun Agagu University of Science and Technology (OAUSTECH), Okitipupa, Ondo State, Nigeria, Prof Temi E. Ologunorisa, extends homage to the late Senator Michael Atijosan Emmanuel ONUNKUN, OON, who transcended to the great beyond on 14 May, 2024. Your life was truly a testament to purpose and impact. You arrived, you made significant contributions, and you completed your earthly journey with distinction.

At OAUSTECH, your legacy continues to resonate with us. Every day, we are reminded of your generous contribution in the form of the Senator Michael Onunkun Lecture Hall. Your enduring presence is felt within the walls of the building you graciously bestowed upon us at the age of 96. Your unwavering dedication to the advancement of education, even in your later years, remains etched in our collective memory.

March 8, 2022 will forever be etched in our memories when the edifice you constructed and generously donated to OAUSTECH was inaugurated by the late Arakunrin Oluwarotimi Odunayo Akeredolu (SAN, CON), the former Governor of Ondo State and Visitor to Olusegun Agagu University of Science and Technology, Okitipupa. Many of us still recall your tenure as a Senator of the Federal Republic of Nigeria from 1979 to 1983 during the Second Republic, representing the Ondo West Senatorial District in the former Ondo State, now known as the Ondo South Senatorial District. Your exceptional contributions as a distinguished Senator and union leader have been meticulously chronicled in the annals of history.

May you continue to rest in the embrace of our Lord and Saviour, Pa Onunkun, the esteemed former Senator, eminent elder statesman, devoted advocate for children and education. Farewell to the late Senator MAE ONUNKUN.
