

I want to honor and celebrate the life of my father, Senator M.A.E Onunkun (fondly called BABA). He was more than just a father, he was a mentor and a friend.

Baba was a man of great character. He taught me and my siblings the values of hard work, integrity, and compassion. He lived his life with a sense of purpose and dedication that was evident in everything he did.

His love was unconditional, and his wisdom was endless. Whether it was through a simple conversation or a shared moment of silence, my father always knew how to make me feel understood and supported. He had a way of making even the toughest situations seem manageable, and his strength gave us all the courage to face life's challenges.

One of the things I admired most about my father was his kindness, generosity, compassion. His memory will stay with me forever, reminding me of the incredible person he was.

Baba's legacy is one of hardwork, resilience, and love to his family. Though words can never fully capture the essence of who he was, I hope that this tribute serves as a small token of my immense love and gratitude. Thank you, Baba, for everything. You will always be in my heart.
