

A TRIBUTE TO MY HUSBAND Senator Michael Atijosan Onunkun (OON)

Our paths crossed about 70 years ago. How time flies. Young frail and illiterate but you took me as I was and loved me. I know you were the best husband to me and the best father to your children. My husband was there for his family in all ways. He was a self- made man. He owed nobody nothing. He lived within his means and kept life simple. He achieved all his set objectives. He was highly principled. and did things his own way whether you agreed with him or not. 'Omo Obamuwahan, Omo Menonununkun Nado. Rest In Perfect Peace !!!
