

**TRIBUTE TO OUR AMIABLE DISTINGUISHED PA MICHAEL ATIJOSAN ONUNKUN OON.**

We cannot narrate the times and livelihood of our revered Pa Onunkun without reference to his nobility and very humble background and parenthood.

He was a shining light that permeated the rough terrain and bridges of life to attain leadership.

Papa was a great disciplinarian, lover of children and forthright with youths with visions.

He cared for all around him and his abode was a haven for numerous youngsters.

At the apex of his meritorious services, he capped it with a brilliant political career, represented the Great Ikafe People as a Senator of the Federal Republic of Nigeria in the Second Republic Government led by late President Shehu Shagari.

We all love you and will forever cherish your immense contributions.

Continue to sleep on in the bosom of the Lord.

Chris Olu Akinlosotu.
