tribute to Senator M.A.E Onunkun: A Mentor, Father, and Landlord

Today, we gather to celebrate the life and legacy of an extraordinary individual, Senator M.A.E Onunkun. As I stand before you, I am filled with a mix of emotions - sadness, gratitude, and admiration. For I have had the privilege of knowing Senator Onunkun in three remarkable capacities: as a mentor, father, and landlord.

As a mentor, he guided me with wisdom, patience, and encouragement. He saw potential in me when I didn't see it myself and nurtured me to reach for greatness. His counsel was always laced with kindness and a deep understanding of the human spirit.

As a father, he was a constant source of love, support, and guidance. He had a way of making everyone feel seen, heard, and valued. His presence was always a reminder that we were not alone in this journey of life.

As a landlord, Senator M.A.E Onunkun provided for our community with generosity and compassion. He understood that leadership is not just about titles but about serving others with humility and grace.

Senator M.A.E Onunkun's legacy is a testament to the power of selfless leadership, brotherly love, and community service. Baba Onunkun a letter writer, in which his letter to EC Abuja which Hon Iwakun and I took to Abuja restored back the reduction of Ode-Aye wards back to existence which we are all enjoying today. As we mourn his passing, we also celebrate his life and the indelible mark he has left on our hearts.

Our political associate refers to you as Baba wogbo oooo as if to say you will not die, but today you are gone, but your legacy lives on.

Rest in peace, dear Senator M.A.E Onunkun.

Your memory will be a blessing to us all.

May your legacy continue to inspire us to be better versions of ourselves.

May your love, guidance, and support continue to be felt by all who knew you.

Goodbye, dear mentor, father, and landlord. You will be deeply missed.
