

TRIBUTE TO MY EVER LOVING GRANDFATHER.

Grandpa, death took you away from me when I needed you most, you were a part of my life & I won't forget in a hurry, how clingy I was with u while growing up, holiday for me was a "no no" as your love & care was all I craved for and wanted. Living this life without you hurts like hell my dependable, caring & loving Grandfather, the one who loves me unconditionally. You extended this same love to all your Grandchildren who won't stop talking about you.

You are a rare gem and I want to appreciate God for fulfilled life well-spent while with us. Thanks Grandpa for sharing your beautiful life with us your Grandchildren, thanks for playing the role of Daddy in my life.

I know heaven gained an angel as u were an angel in human body. Everyone who came in contact with you experience that angelic touch from you. I will forever miss you, your memories will forever live rent-free in my heart.

Rest in the Bosom of the Lord.

Onunkun Simeon Bolorunduro.
