SENATOR M.A.E ONUKUN, OON

The exit of Pa Onukun makes a colossal loss - of a man who, in many ways, typified a treasure to many persons. A great-grand-father, grand-father, father figure and a go-to person. In Senator Michael Atijosan Emmanuel Onukun, we lost a highly revered and admired political coach; a rare repertoire of our cultural, historical and political history.

During his time on this side, Pa Onukun relentlessly pursued the development of the state, especially the south senatorial district, where he was a first class political player and free, in-house consultant. Baba was a literary genius, political coach and a classic politician who, throughout life, walked tall and placed the interest of his people on the front burner.

Though Pa Onukun, our priceless fountain of wisdom left an the enviable age 98, he would be remembered as a distinguished lawmaker, patriotic and outstanding Nigerian, community leader, an unyielding ally and advisor to the late Governor of Ondo State, Olusegun Kokumo Agagu.

We wish the entire Onukun family of Ilutitun, Morubodo Kingdom strength and fortitude even as we pray for enduring repose for the soul of our revered leader and patriarch.
