TRIBUTE TO SENATOR M.A.E ONUNKUN, OON.

The Management and people of Ikale West LCDA do heartily commiserate with the entire Onunkun family on the loss of their illustrious son, Senator M. A. E. Onunkun OON, a quintessential second Republic Senator, whose available records confirmed him as a revered Senator who gave a good and robust representation while he represented Ondo South Senatorial District in the red chamber between 1979 and 1983.

As it is incontrovertible that death is a necessary end of man and which implies that every man has an unavoidable date with death. Baba's inevitable appointment with his creator becomes a reality at a time like this set by God.

However, we take solace in God for the legacies Baba left behind, the exemplary life he lived, and the selfless service he rendered to his people. As a public servant who genuinely loved and served his people with passion, and his quality leadership which we are trying to emulate, there is no doubt that Baba's labour of love, justice and service to his Ilutitun Motherland, Ikale land and also our dear nation will be fondly remembered.

May God grant the family the grace to bear the irreparable loss and grant him eternal peace in Jesus name.

Hon. Olufunke Kumuyi
Ikale West LCDA Chairman
