CONDOLENCE MESSAGE

ON BEHALF OF MY GOOD PEOPLE OF ILUTITUN MORUBODO KINGDOM.

I hereby express my condolences on the loss of our distinguished **Senator M.A.E. Onukun (OON)** who departed this sinful world on the late hours of **Wednesday, 15th May, 2024** at the right age of 98 years.

However, the death of loved one is usually very painful and sad even at an old age but we need to thank God for his life well spent, particularly for his service to God and his selfless service to mankind and to the entire country.

I encourage the family and those affected by his departure not to weep no more but be prepared to continue with his good legacy that he had laid down and to rest their faith on the promise of resurrection of righteous unto eternal life.

"Baba wo gbo o' had departed this world, but in heaven, we shall depart no more.

Please, take solace in the fact that he served the Lord and had gone to be with Him in heaven.

The Lord will take care of the entire family that he left behind.
Adieu Baba.

HRM Oba E.A Idepefo
(Monogbe II)
Majuwa of Ilutitun
Morubodo Kingdom.
