

TRIBUTE TO A FATHER INDEED

Baba, as fondly called, I have memories of all your encouragement and charge to be diligent and hard-working. Even though you are no longer here, will cherish them forever.

You taught me to be hard-working and self-reliant, so long as I have these memories, I will forever hold you in my heart and mind.

Baba, I'll miss you forever more than words can say as I treasure all my memories of you each and every day.

Rest in perfect peace, Baba.
